

State of California Application Instructions

Read the following instructions carefully before completing this application. Please complete the application on a computer or print in ink. All questions **must** be answered completely and accurately, except as noted. You may be disqualified for any false or misleading statements or for omitting information. The information you furnish will be used to apply for a job, determine your eligibility and/or may be the basis for arriving at your final rating in an examination. During the course of an examination, you may be requested to provide additional information regarding your qualifications, your preference regarding work location, shifts, etc.

Social Security Number (SSN) – Providing this is voluntary in accordance with the Privacy Act of 1974 (PL 93-579). However, a SSN may be needed to process your application when granting items such as Veterans' Preference, Limited Examination and Appointment Program (LEAP), Career Credits, and/or confirming list eligibility.

Examination(s) or Job Title(s) – Provide the title of the position listed on the announcement.

Question 2 – Must be answered by all applicants. You must answer "Yes" if you have ever, because of poor performance or misconduct, been fired, dismissed, or terminated from a job, or had an employment contract terminated. Applicants who have been rejected during a probationary period, or whose dismissals or terminations have been overturned, withdrawn (unilaterally or as part of a settlement agreement) or revoked need not answer "Yes." Explain any "Yes" answers in the Explanations section. Briefly describe the facts, findings, any action taken against you, and the circumstances under which you left the position.

In completing this application, you do not need to answer "Yes" to Question 2 if:

you have been rejected during a probationary period;
your employer withdrew the firing, dismissal, termination, or contract termination (either voluntarily or as part of a settlement); or
a court or administrative agency overturned or revoked the firing, dismissal, termination, or contract termination.

If asked about past employment history by a prospective employer during the hiring process or probationary period, applicants are required to tell the truth regarding any firing, dismissal, termination, contract termination or rejection during probationary period, whether or not the action was overturned, revoked, or withdrawn (either voluntarily by the employer or, as part of a settlement agreement). Applicants are also required to provide factually correct information in the Employment History section of the application.

Question 3 – Must be answered by all applicants. Government Code section 18720.45 requires applicants for state employment to disclose on their application form whether they have entered into any agreement(s) with the state in which the applicant agreed to refrain from seeking or accepting any subsequent employment with the state. You must answer "Yes" to this question if you have ever entered into a written agreement with any department, agency, commission, board,

state employer, or other governmental unit within California state civil service, where one of the terms of the agreement provided that you agreed not to seek or accept subsequent employment with the state or any state agency. A state agency includes any department, agency, commission, board, state employer, or other governmental unit within the California state civil service, but does not include the California State University.

Question 4 – Must be answered by all applicants. Government Code section 18720.45 requires applicants for state employment to disclose on their application form whether they have entered into any agreement(s) with the state in which the applicant agreed to refrain from seeking or accepting any subsequent employment with the state. You must answer "yes" to this question if you have ever entered into a written agreement with any department, agency, commission, board, state employer, or other governmental unit within the California state civil service, involving an adverse action, rejection on probation, or AWOL termination where one of the terms of the agreement provided that you agreed not to seek or accept subsequent employment with a particular state agency. A state agency includes any department, agency, commission, board, state employer, or other governmental unit within the California state civil service, but does not include the California State University. If you answer "Yes" to this question, please provide the name of the particular agency and the details in the Explanations section.

Question 10 – If you checked "Yes" and you are not able to attach the Accommodation Request form, you will be contacted via telephone or mail to make specific arrangements.
